Roman Buchberger Launches Campaign for Lake County Sheriff Committed to Restoring Trust, Strengthening Community Partnerships, and Elevating Public Safety Standards

ZION, IL, April 9, 2025: Roman Buchberger, a dedicated public servant with over 30 years of experience in law enforcement and military service, is officially launching his campaign to become the next Sheriff of Lake County. His campaign focuses on rebuilding trust, fostering community engagement, and enhancing the level of service the Sheriff's Office provides.

To kick off the campaign, Buchberger will host a **Campaign Launch Event** on:
Saturday, May 3, 2025

1:00 PM – 3:00 PM

Club Tiki Bar, 3500 Sunset Avenue, Waukegan, IL 60087

"This campaign is about building a Sheriff's Office that truly works in partnership with the communities we serve," said Buchberger. "Public safety is a shared responsibility, and I want to hear the concerns, priorities, and vision for the future directly from the people of Lake County. I invite everyone to attend this event, ask questions, and be part of the conversation."

Buchberger's service career began when he enlisted in the U.S. Army after high school, serving as an active-duty soldier before transitioning to the active reserves, where he remained until his honorable discharge in 2008. His law enforcement journey started as a Community Service Officer, advancing through the ranks to Police Officer and Patrol Supervisor before joining the **Lake County Sheriff's Office in 2003**. After nearly two decades of service in Lake County, he retired in 2022.

With a proven commitment to integrity, accountability, and community-focused policing, Buchberger is ready to bring strong leadership to the Sheriff's Office.
